To our Stockholders:

The board of directors (the "Board") of Contango Oil & Gas Company, a Delaware corporation (the "Company" or "Contango"), is furnishing you with this Proxy Statement in connection with its solicitation of your proxy, in the form enclosed, for use at the 2002 Annual Meeting of Stockholders (the "Annual Meeting") to be held at 3700 Buffalo Speedway, Second Floor, Houston, Texas 77098, on Friday, November 8 at 9:00 a.m., local time, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

We are mailing this Proxy Statement to you on or about October 4, 2002, together with the accompanying proxy card and the Company's annual report on Form 10-KSB for the fiscal year ended June 30, 2002.

We cordially invite you to attend the Annual Meeting. Whether or not you plan to attend, please complete, date and sign the proxy card and return it promptly in the return envelope provided.

QUESTIONS AND ANSWERS

1. Q: Who is asking for my proxy?

A: Your proxy is being solicited by our Board for use at our Annual Meeting. Our directors and officers may also solicit proxies on behalf of our Board, in person or by telephone, facsimile, mail or email. If our directors, officers or employees solicit proxies, they will not be specially compensated. Contango will pay all costs and expenses of this proxy solicitation.

2. Q: What are stockholders being asked to vote on?

A: At our Annual Meeting, stockholders will be asked to vote:

- . To elect our board of directors to serve until the annual meeting of stockholders in 2003;
- . To consider and act upon a proposal to approve an amendment to the Company's Certificate of Incorporation to increase the authorized preferred stock of the Company from 125,000 shares of preferred stock, par value \$0.04

1

per share, to 5,000,000 shares of preferred stock, par value \$0.04 per share, having such rights and preferences, including voting rights, as the Board of Directors of the Company may determine; and

- . On any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

3. Q: Who is entitled to vote?

A: The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on September 23, 2002 (the "Record Date"). As of the Record Date, the Company had outstanding 9,043,282 shares of common stock, par value \$0.04 per share (the "Common Stock"), 2,500 shares of Series A senior convertible cumulative preferred shares, par value \$0.04 per share ("Series A Preferred Stock"), and 5,000 shares of Series B senior convertible cumulative preferred Shares, par value \$0.04 per share ("Series B Preferred Stock"). Only

holders of record of the Company's Common Stock, Series A Preferred Stock and Series B Preferred Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting.

4. Q: How many shares may vote at the Annual Meeting?

A: The holders of the Company's Common Stock, Series A Preferred Stock and Series B Preferred Stock vote together as a single class at the Annual Meeting and any adjournment thereof on the election of directors, with each record holder of Common Stock entitled to one vote per share of Common Stock, each record holder of Series A Preferred Stock entitled to 400 votes per share of Series A Preferred Stock and each record holder of Series B Preferred Stock entitled to 227.3 votes per share of Series B Preferred Stock.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

- . Vote for, or withhold authority to vote for, each nominee for the Board.
- . Approve, or withhold approval of, the proposed amendment of our Certificate of Incorporation.

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Kenneth R. Peak, the Company's Chairman and Chief Executive Officer. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Peak's name and inserting the name of the other person to act as his or her proxy. In such a case, the stockholder would have to sign the proxy card and deliver it to the person named as his or her proxy, and that person would have to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

2

If you return a signed proxy card without having specified any choices, Mr. Peak, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

- . FOR the election of each nominee for director;
- . FOR an amendment to the Company's Certificate of Incorporation to increase the authorized preferred stock of the Company from 125,000 shares of preferred stock, par value \$0.04 per share, to 5,000,000 shares of preferred stock, par value \$0.04 per share, having such rights and preferences, including voting rights, as the Board of Directors of the Company may determine; and
- . At the discretion of Mr. Peak, as proxy, on any other matter that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

6. Q: How does the Board recommend I vote?

A: The Board unanimously recommends that you vote "For" each of the matters to be voted on at the Annual Meeting.

Our executive officers and directors who own shares of Common Stock have advised us that they intend to vote their shares in favor of the proposals presented in this Proxy Statement. As of the Record Date, executive officers and directors collectively owned 1,743,163 shares of Common Stock, representing 15.6% of the total shares entitled to vote. Trust Company of America ("TCW"), which holds 1,851,852 shares of

the issued and outstanding Common Stock and all of the Series A Preferred Stock which, if converted, constitutes 1,000,000 shares of Common Stock, has advised us that it intends to vote its shares in favor of the proposals presented in this Proxy Statement. TCW's shares represent 25.5% of the total shares entitled to vote. In addition, Aquila Energy Capital Corporation ("Aquila"), which holds all of the Series B Preferred Stock, which, if converted, constitutes 1,136,364 shares of the issued and outstanding Common Stock, have advised us that they intend to vote their shares in favor of the proposals presented in this Proxy Statement. Aquila's shares represent 10.2% of the total shares entitled to vote. See "Security Ownership of Certain Beneficial Owners and Management".

7. Q: What vote is required?

A: Proposal 1, the election of directors, and Proposal 2, an amendment to increase the authorized number of shares of preferred stock, will each require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting. In addition, our preferred stockholders, Trust Company of the West and Aquila Energy Capital Corporation, each have a separate right to approve the proposed amendment to the Certificate of Incorporation, and each has so indicated its approval in writing prior to the date of this Proxy Statement.

8. Q: What is a "quorum"?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company's Common Stock, Series A Preferred Stock, and Series B Preferred Stock will constitute a

3

quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: For the purposes of determining a quorum, shares held by brokers or nominees will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter. These shares are called "broker non-votes". Abstentions will also be counted for quorum purposes. With respect to all matters other than the election of directors, broker non-votes and abstentions will have the same effect as a vote against any specified proposal.

10. Q: What does it mean if I get more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies will be solicited in person, by telephone, facsimile or email by directors, officers and employees of the Company without additional compensation. The Company will reimburse

brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

Board Operations and Organization

Mission Statement. The Company's primary objective is to maximize stockholder value, while at all times observing the highest ethical standards. The Company will pursue this objective through participation in the energy industry.

Corporate Authority & Responsibility. All corporate authority resides in the Board as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The Board retains

responsibility to recommend candidates to the stockholders for election to the Board. The Board retains responsibility for selection and evaluation of the chief executive officer of the Company, oversight of the succession plan, determination of senior management compensation, approval of the annual budget, assurance of adequate systems, procedures and controls, as well as

6

assisting in the preparation and approval of the strategic plan. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. Directors are compensated in the form of both a cash payment and Company equity. Each outside director receives a \$3,000 quarterly payment and a quarterly stock option grant to purchase 3,000 shares of Common Stock with an exercise price of the greater of \$2.00 or fair market value at the date of grant.

Board Size. In general, smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors shall be elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2000, the Board held four regular meetings. All directors attended two of these meetings, and all but one director attended the other two meetings. During the fiscal year ended June 30, 2002, the Board passed resolutions by unanimous written consent on 10 occasions.

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. As a consequence, the committee structure of the Board is limited to those committees considered to be basic to or required for the operation of the Company as a publicly owned entity. The audit committee is the only standing committee. All committees shall be composed solely of independent directors. The Board may form other committees as it determines appropriate.

Audit Committee. The audit committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The audit committee also reviews the scope and results of the Company's procedures for internal auditing and the adequacy of our system of internal accounting controls. Members are Messrs. Romano (chairman), Brehmer and Williams. Joseph S. Compofelice, subject to his election as a director, has agreed to assume the responsibility of chairman from Mr. Romano, who is not standing for reelection to the Board. The audit committee met formally five times during the fiscal year ended June 30, 2002.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FIVE
NOMINEES AS DIRECTORS OF CONTANGO, TO SERVE UNTIL THE
NEXT ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR
SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

PROPOSAL 2

AMENDMENT TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF PREFERRED STOCK

Under our Certificate of Incorporation, the Board is authorized without further stockholder action to provide for the issuance of up to 125,000 shares of preferred stock, par

7

value \$0.04 per share, in one or more series, with such voting powers and with such designations, preferences, rights, qualifications, limitations or restrictions, as set forth in resolutions providing for the issue of preferred stock adopted by the Board. The Board has previously designated 5,000 shares of

preferred stock as Series A Preferred Stock, and has designated 10,000 shares of preferred stock as Series B Preferred Stock. As of September 3, 2002, we had outstanding 2,500 shares of Series A Preferred Stock and 5,000 shares of Series B Preferred Stock.

The Company wishes to amend certain provisions of the Certificate of Incorporation to increase the authorized preferred stock of the Company from 125,000 shares to 5,000,000 shares with such rights and preferences as the Board may determine from time to time. The Board believes that the best interests of the Company and its stockholders will be served by adopting the amendment to the Certificate of Incorporation (the "Amendment"), attached hereto as EXHIBIT A. On September 23, 2002, the Board adopted a resolution approving the Amendment.

THE BOARD RECOMMENDS A VOTE FOR THE AMENDMENT TO
INCREASE THE AUTHORIZED NUMBER OF PREFERRED SHARES
FROM 125,000 SHARES TO 5,000,000 SHARES.

This year, Aquila has selected Mr. Brehmer as its director designee.

Juneau Exploration Company, L.P. John B. Juneau, one of our current directors, is the sole manager of the general partner of Juneau Exploration Company, L.P. ("JEX"). Effective September 1, 1999, we entered into an agreement with JEX whereby we outsourced all of our natural gas and oil prospect generation and evaluation functions to JEX. As an inducement to enter into the agreement, JEX received 200,000 shares of our Common Stock. As of September 3, 2002, we have granted to JEX options to purchase 400,000 shares of our Common Stock in

connection with exploratory successes and acquisitions. Of these options, 300,000 have vested, with the remainder vesting subject to achieving a defined payout and rate of return. Additionally, we have granted to JEX warrants to acquire 125,000 shares of common stock in connection with the formation of Republic Exploration, L.L.C. Mr. Juneau is not standing for reelection to the Board.

On August 14, 2000, we amended our agreement with JEX whereby in exchange for our no longer granting stock options for each acquisition and exploration success, we increased the overriding royalty interest granted to individual geoscientists from 2.5% to 3.3%. JEX currently receives a 25% proportionately reduced back-in working interest after we achieve a defined payout. JEX will continue to bear the upfront overhead costs of performing all functions involved in bringing a prospect to a ready to drill stage. JEX is required to participate for a 5% working interest in each transaction recommended. Their overall remuneration continues to be directly related to our exploration success, as the overriding royalty and 25% after payout back-in working interest are tied to the drilling and performance of successful wells. We believe this shifting of risk and alignment of incentives are key to our goal of achieving profitability.
